

### **Update to our COVID Policy: June 9<sup>th</sup> 2021**

The studio continues to follow the school guidelines of remaining masked while indoors through July 30<sup>th</sup> 2021. We will however start to travel our students across the floor and switch lines during class. We will no longer require masks for vaccinated individuals starting in August if the outlook remains positive.

An update to the COVID policies will be made and sent out before the start of classes in September. We cannot wait to see student's faces and open the waiting rooms to dance families again.

Air purifiers are now a mainstay in each studio. Thank you to our families and dancers who have been patient and positive. Our number one priority is keeping everyone healthy and safe. Reach out to the studio if you have any questions or concerns.
